Dear Cousin —

Your last letter to hand
I appreciate you telling me
about the Collins family as I
said before I know so little about
them.

You said you were coming
in May will be glad to
have you and we have a new
Ford will roam and can find

some interesting things
We are having quite a change
in the weather has been real
cool the last few days.
Our Mayor W M Dudley passed
to the great beyond this morning
he was once our Senator
I must close. Write me if convenient
when you will be here we
are looking forward to your visit

With best regards
I remain
Mrs A M Harryman
